📖 CEU Credit: 3

This workshop required pre-registration and an additional fee. Please do not access this event if you are not pre-registered.

This three-hour interactive workshop is intended for CPD professionals engaged in obtaining grant and exhibitor funding to support their education activities. The session will aid participants in developing a flexible funding toolkit that can be adapted to their own unit. The workshop will focus on strategies that have proved successful in funding activities that have been transitioned to a virtual environment.
