

Nursing Symposium Thursday, November 2, 2017

Continuing Education Credits

NYU Winthrop Hospital is pending Approved Provider approval status to provider of continuing nursing education by the Northeast Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Faculty Disclosure

It is the policy of NYU Winthrop Hospital to adhere to ACCME, and ANCC accreditation requirements, policies and Standards for Commercial Support in order to ensure content validity, fair balance, independence, objectivity and scientific rigor in all its sponsored programs. All faculty, planners and authors of educational content, who participate in sponsored programs, must disclose to the audience any potential, apparent or real conflicts of interest related to their contribution to the activity, as well as any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. All faculty disclosures will be made at the time of the activity. Please call Rob Martin, MBA, CHCP, Director of CME at 516-663-2521 to express any concerns.

At the time of brochure printing this program had not received grant support from commercial sponsors.

The Nursing Education Department
Proudly Presents the:

NURSING SYMPOSIUM 2017

Thursday, November 2

**North Hills Country Club
Manhasset, N.Y.**

Course Objectives:

This program is designed to:

- ◆ Provide the most current evidenced-based information to maintain and augment the nurses' knowledge.
- ◆ Educate and foster the learners' need for knowledge.
- ◆ Stimulate thought for future research.

Participant Objectives:

1. Identify humorous responses to stressful situations.
2. Identify indications for a mechanical circulatory device.
3. Discuss methods of obtaining fecal transplant specimens.
4. Differentiate normal from abnormal physiological and psychological changes during pregnancy and the postpartum period.
5. List three illnesses treated with a bone marrow transplant.
6. List health disparities experienced by transgender and gender conforming people.

Planning Committee:
