Professor

Director, Johns Hopkins Health System Blood Management Program

Director, Center for Bloodless Medicine and Surgery

Department of Anesthesiology/Critical Care Medicine

The Johns Hopkins Medical Institutions

Hosted by

NYU Department of Surgery, NYU Patient Blood Management, NYU Department of Nursing

Dr. Steven Frank is a Professor in the Department of Anesthesiology and Critical Care Medicine at the Johns Hopkins Medical Institutions, where he specializes in anesthesia for vascular, thoracic, and transplant cases. Dr. Frank is the Medical Director of the Johns Hopkins Health System Blood Management Program.

His recent work relates to clinical studies in the area of collection and analysis of transfusion data from electronic medical records and methods for using such data to improve practice. He is currently on the Editorial Board of the journal TRANSFUSION, and he has served on the Board of Directors for AABB. He is also on the Patient Blood Management Committee for the American Society of Anesthesiologists.
